Visitor Information Centres

There are so many wonderful things to see and do in Northern Ireland that it's hard to describe them all in one place. That's why we direct visitors to our Visitor Information Centres dotted around the region.

You'll meet friendly staff who love every inch of Northern Ireland. They're more than happy to share their knowledge about the hidden gems in their area.

As well as being able to talk to staff in the Visitor Information Centres you can browse through local crafts and literature, buy tickets for events, book tours and excursions and so much more. For further information call into one of the Visitor Information Centres across Northern Ireland or go to discovernorthernireland.com. If you're out on the road, you'll see signposts for the Visitor Information Centre as you approach each town.

We take the safety of our visitors seriously - here are some driving tips you need to be aware of.

At roundabouts, you must give way to traffic from your right. You must travel around the roundabout in a clockwise direction.

When crossing the border from The Republic of Ireland into Northern Ireland the speed limit and signage changes from kilometres per hour (KPH) to miles per hour (MPH). Please exercise caution and adjust your speed accordingly.

For more information and the highway code, visit plan your trip on discovernorthernireland.com
