Glamping or ‘glamorous camping’ combines all the fun of camping with some of the amenities of home and has really taken off here. Options include tepees, yurts and camping pods and there’s a great choice of locations around Northern Ireland. Please note, Tourism NI does not inspect types of accommodation which fall under the designation of glamping.

Find out more: www.discovernorthernireland.com/glamping

Glamping
Entries displayed on the map are those assessed under www.discovernorthernireland.com/camping or close to the Sperrins, amidst the Fermanagh Lakelands or along The Mourne Mountains. The locations can be stunning; at the foot of the Mourne Mountains busy and lively; some are remote while others are in tourist resorts. What better way to relax and experience all that Caravanning, Camping and Motorhoming have to offer than by spending a night camping or motorhoming.

The caravan and camping parks listed in this guide have all been visited by an inspector and given a rating under the British Graded Holiday Parks System. All caravan parks have mains water and flush toilets and provide pitches for touring caravans and motorhomes but do not allow tent pitches. Please contact the sites directly to confirm opening times, prices, facilities, availability and directions. Popular parks tend to fill up in peak periods, so please check availability of pitches and advance bookings is recommended.
